Knit the 23 rows from the Chart 3 (on the 30 center sts of the front, and over the chart 2 for the rest of the round.)

Then knit 14 rows over the chart 2.

End of the bag: Bind off 45 sts, knit in pattern the next 72 sts, bind off 47 sts, and knit in pattern the last 72 sts.

Bind off the back and the front together with 3 needles.

Finishing: Sew the 2 sides on the bottom of the bag, making a fold or not as you want.(I didn't)

Sew the side's facings on the WS.

Put the front's and back's facings through the handle and sew it on the WS.

Sew the little side from the front and the back's facings together with the little side of the side's facings

With a yarn's needle make a stitch (on the right side of the bag) between the first sts of the front/ back and the first st of the both sides, at the level of the first row knitted in round.. (see the next picture)

To keep your bag in form, you have to sew a lining piece a little bit shorter than the bag..

As you have seen, I don't write in english every day....but I really hope to be clear in my translation. If not, please write me an e mail I will help you.
