

Cheng Hsin 2016 Holland Camp

The Art of Effortless Power and Boxing

with Peter Ralston
June 25 - July 2 in De Glind (NL)

"True innovators are, by definition, ahead of their time. How many of us wished we had met Bruce Lee, sat in a session with Carl Jung, or walked around Walden Park with Henry David Thoreau? Too late for that, but not too late to take notice of Peter Ralston. A superlative martial artist and caring teacher, his insights speak to us all."

Dan Millman - Author of "Way of the Peaceful Warrior"

Cheng Hsin Holland Camp

This year the Cheng Hsin Holland Camp offers a special program with seven days in the *Art of Effortless Power* and one day of *Boxing*. These are followed by a one time *Experiencing the Nature of Being* workshop of one week.

Art of Effortless Power Week June 25 - July 2

The Art of Effortless Power is a dynamic blend of T'ai Chi, Pa Kua, Aikido, Judo and Boxing with uprooting, throwing, footwork, and lots of internal work on relaxation, outreaching, intention, balance and freeing up ineffective mental patterns.

Working from the ground up, Peter will explore the principles that found body design and function, power, and interaction. Participants will be demanded to change how they think and perceive. Peter will demonstrate and teach how to change one's own experience towards that of being effective whilst remaining totally relaxed and calm.

Using props, exercises, techniques and games and his relaxed and entertaining style of teaching, Peter leads participants into questioning assumptions, overcoming beliefs and transforming how they use their bodies. It is a very joyful learning experience.

Peter will teach The Art of Effortless Power in a highly intensive and structured format. Be prepared to be overjoyed and overwhelmed by the ocean of knowledge and skill which Peter communicates to you as a participant.

During our afternoon sessions you will have a one hour period to train or test for a Kyu (level) and on Thursday we will possibly have Degree Exams.

Each morning training will be conducted by an assistant and will be adapted to the program of the day.

Effortless Power
Weekend June 25 -26

This is a great workshop to be introduced to the mindset and body mechanics of effortless power and learn how to apply intrinsic strength in relatively simple techniques and begin to learn new ways of relating to an opponent that will make you much more skilful.

Boxing
Saturday July 2

This day is focused around techniques and tactics within the art of internal boxing, such as effortless striking, dodging, strategies, footwork and perceptive skills. Punching is light but you need to bring boxing gloves (rentable for 2,50 Euro) and a mouthpiece.
