

# Koupaïa reversible collar.

## Material :

4 balls of wool with mohair (200g)

Pearls (around 150), Upper or more equal diameter in 4mm with a hole of 1.2mm of diameter,

A hook of 1mm,

Needles 9mm.

## Point use :

Reversible stocking stitch (also called double stocking stitch) :

Row 1 (**right and wrong side of the work**) : \* knit 1, slip stitch 1( like a purl stitch)\*, repeat from \* to\*.

Always repeat this row.

You can have a better view of this point there: [reversible stocking stitch: how to do!!](#)

To insert pearls, you can refer in [this tuto](#) !

## Work :

Cast on 60 stitches, knit with 2 threads at the same time.

Knit in reversible stocking stitch up to 22 rows.

Rows 23 and 24: Insert a pearl with the hook on stitches 3, 13, 23,33,43,53.

Knit rows 25 and 26 without pearls.

Rows 27 and 28: Insert a pearl with the hook on stitches 9, 19, 29, 39, 49 and 59.

Then make 30 rows of reversible stocking stitch and do exactly the same insertions of pearls.

Repeat the insertions always by inserting them with 30 rows of reversible reversible stocking.

Up to 1 meter in height total, bind off

Made drill the shawl form one 8 and make the sewing, bring in the threads, cut them to short, wear!!

Size of the ended collar: 1 meter long, 30 cm width.

If you wish to make a wider collar, cast on more stitches, always in even number.
