

RUSSIANS

(STING)

In Europe and America, there's a growing feeling of hysteria
 Conditioned to respond to all the threats
 In the rhetorical speeches of the Soviets
 Mister Krushchev said we will bury you
 I don't subscribe to this point of view
 It would be such an ignorant thing to do
 If the Russians love their children too

How can I save my little boy
 From Oppenheimer's deadly toy
 There is no monopoly in common sense
 On either side of the political fence
 We share the same biology
 Regardless of ideology
 Believe me when I say to you
 I hope the Russians love their children too

There is no historical precedent
 To put the words in the mouth of the President
 There's no such thing as a winnable war
 It's a lie we don't believe anymore
 Mister Reagan says we will protect you
 I don't subscribe to this point of view
 Believe me when I say to you
 I hope the Russians love their children too

We share the same biology
 Regardless of ideology
 What might save us, me, and you
 Is that the Russians love their children too.
