

Domaine Poulleau

Presentation and Philosophy :

The family estate was created in the 60s by the grandfather Gaston and has evolved over the years with the work and passion of Michel, the son (assisted by Jacqueline) and Thierry, the grandson (assisted by Florence).

The Domain is settled to Volnay and covers 8.30 hectares exclusively in Côte de Beaune (Volnay, Beaune, Aloxe-Corton, Chorey-lès-Beaune, ...). We are Producers and Wine-makers.

Wines of the Domain are recognized by numerous professionals and journalists (Decanter, Guide Hachette, Guide Gilbert & Gaillard).

Our family estate conducts the vineyard in a reasoned manner in accordance with traditional practices. Our ultimate goal is to harvest the healthiest grapes possible. We bring all our attention to work in the vineyard, winery and cellar to offer our customers wines of pleasure to share with family or friends.

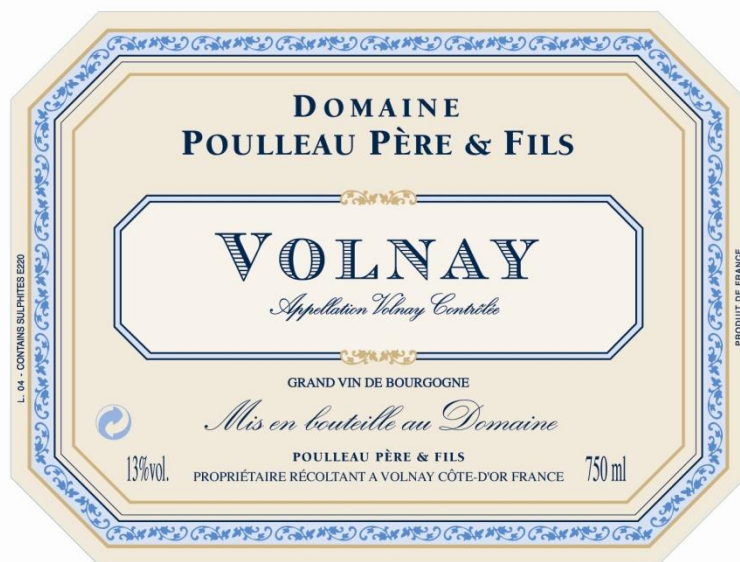

The wines of the winery (selection) :

- Côte de Beaune Les Mondes Rondes : The dress is deep. The nose is on grenadine. The palate is fleshy, fruity and tangy on the finish.
- Chorey-lès-Beaune: The dress is deep. The nose is on blackberry and blueberry. The mouth is full, fleshy and wrapped. The finish is tart.
- Beaune Prévoles: The dress is deep. The nose is fresh on cherry and blueberry. The mouth is full from the attack, structured and racy. The finish is massive but not aggressive.
- Aloxe Corton : The dress is deep. The nose is on cherry and raspberry. The palate is dense, deep and concentrated. The finish is long and persistent
